I authorize the repair(s) to be completed on the item(s) stated above by New England Saddle Fit. I understand that this repair might change the look and feel of the item(s). New England Saddle Fit tries to match materials as close as we can to the original materials. Not all leather colors and finishes can be matched as leather changes its color and feel with oiling and use. New England Saddle Fit will not be liable if you choose not to insure your package for the full value of its contents during the return shipment process. I understand and agree to the above statement.
